## CONDITIONS OF RENTAL AGREEMENT

In consideration of the efforts and services of SunBay, ( S.P.O.A.), I hereby grant S.P.O.A. the irrevocable right to rent the property herein described at a fair market rate. Upon the rental of this property within the terms of this agreement, I agree to pay S.P.O.A. a 50% commission of the gross rental, and authorize S.P.O.A. to deduct that amount from the rent collected. I also authorize S.P.O.A. to pay to the Condominium Association , if requested by the Association , any assessments, fees or other charges due the Association for which I have been previously billed.

I understand that I may secure a renter, but first must check with S.P.O.A. to see if the condominium unit has already been rented. If I personally secure my own renter without the aid of S.P.O.A., no commission shall be due S.P.O.A.

I understand that S.P.O.A. is acting as my rental agent for the specified time described above and that " I ", not S.P.O.A., am responsible for any loss or damage to the condominium unit or the Association property caused by any renter, since " I " am the actual owner of the unit and week listed above.

I understand that if I want to cancel this agreement that I must do so by mail and only if my unit is not previously rented or if rented the renter (s) can be moved to another unit.

By entering your name here you are agreeing to these terms.
